before you get
in the cab.**

Did you know that backhoes contribute to more damages than any other digging equipment? In 2020 alone, more than 58,000 damages to underground utilities occurred during backhoe excavation. Before your next backhoe project, make sure to contact 811 to have underground utilities marked.

Contact 811 before you dig.

The infographic is a vertical rectangular graphic. On the right side, there is a photograph of a backhoe operator wearing a hard hat and safety vest, sitting in the cab of a yellow backhoe. The background of the infographic is white. The main headline is in large, bold, black font. Below it is a paragraph of text in a smaller font. Underneath that is a call to action in green text. At the bottom left is the 811 logo, which consists of the numbers '811' in a stylized font with a shovel icon integrated into the '1's. Below the logo is the website address.
